RUNNIN' OF THE IRISH - SPONSORSHIP INFORMATION

The Runnin' of the Irish has been a strong community driven event for five previous years helping provide a healthy and fun experience for our participants and members of the Effingham and surrounding communities. Established in 2012, this year we project to have nearly 500 runners at the event running to improve their overall health and enjoy one of the first early Spring events of the year.

In the past, We have helped raise funds for St.Jude Runners, We wish to continue raising funds, awareness and support for people that are affected by these organizations. Although the level of event we strive to continue to produce is not cheap and requires up front costs. So we ask to support the event by either entering into the event as a participant or by becoming a sponsor of the event.
